iLOOKABOUT Announces Progress in Property Tax Assessment Market Vertical

LONDON, Ontario, Canada – June 26, 2009. iLOOKABOUT Corp. (TSXV: ILA) (the “Company”) announced today its progress within the property assessment market across North America to provide visual data via StreetScape images within a number of Counties, Provinces and States within Canada and the US.

“We are extremely pleased with our progress in property assessment,” commented Jeff Young, President and CEO of iLOOKABOUT. “Working with Town, City, County and Provincial property data aggregation organizations, as well as private sector property tax assessment firms, we have seen significant growth in both completed transactions and pipeline opportunities which are at different stages of completion.”

“iLOOKABOUT StreetScape imagery provides assessors with a new layer of imagery data that improves the efficiency and productivity in the property tax assessment process in addition to providing a unique perspective and enabling solution for valuing properties,” continued Young. “We are in the final stages of completing a number of projects in the US, and we are extremely encouraged by the response from the assessment community in Canada and the United States.”
