For Immediate Release

**iLOOKABOUT and MacDonald, Dettwiler and Associates Ltd.
Capture St. John's, Newfoundland**

LONDON, Ontario, Canada – July 21, 2009. iLOOKABOUT Corp. (TSXV: ILA) (“iLOOKABOUT” or the “Company”) announced today a Services Agreement with MacDonald, Dettwiler and Associates Ltd. (“MDA”) to provide StreetScape imagery to the City of St. John's, Newfoundland and Labrador. Financial terms were not disclosed.

iLOOKABOUT will provide full coverage of all public streets of the City of St. John's, with its StreetScape visual data intelligence product, to MDA for integration with their Pictometry© oblique and ortho imagery products. This combined application of visual data will be further integrated into the City of St. John's CAMA application for a highly accurate and comprehensive property assessment tool.

“MDA is very pleased with our association with iLOOKABOUT,” said Paul Currie, Programme Manager, Pictometry for MDA “iLOOKABOUT StreetScape's uniquely scalable solution meant we could provide the City of St. John's the street level imagery they needed in a fast and efficient manner.”

“The City of St John's is committed to providing progressive, efficient services to our citizens,” stated Greg Keating of the City of St. John's. “We think this collaborative effort between MDA and iLOOKABOUT will best serve our property assessment needs.”

“We are delighted to be working with MDA in providing this unique product to the City of St John's,” said Jeff Young, President and CEO of iLOOKABOUT. “It is an honour to be recognized for providing accurate and visually comprehensive data to these organizations.”

The image collection is complete and the final product is expected to be delivered to the City of St John's by August 1, 2009.
