SCM Risk Management Services Insures with iLOOKABOUT Street-level Imagery

LONDON, Ontario, Canada – August 31, 2009. iLOOKABOUT Corp. (TSXV: ILA) (“iLOOKABOUT” or the “Company”) announced today an agreement to provide its complete street-level visual data set of Canadian StreetScape imagery to SCM Risk Management Services (“RMS”) for use with insurance brokerage and company applications. Financial terms were not disclosed.

SCM, the parent company of RMS, is the largest independent, privately-owned provider of claims management, risk management and related services in Canada. RMS is the largest risk inspection company in Canada and the only risk inspection company which is truly national in scope.

“SCM has long valued imagery as data, critical to the insurance business and is currently the largest supplier of photo and construction data to the Canadian Property & Casualty market,” stated Greg McCutcheon President, SCM Risk Management Services, “iLOOKABOUT StreetScape has extensive Canadian coverage and a unique, dynamic product approach which enhances and fully complements our current offerings.” He continued, “StreetScape is a rich and immersive visual media, unique in its flexibility and customization that allows RMS users to view properties and better understand neighbourhoods prior to entering into an insurance transaction.”

“We are thrilled to be in business with such an energetic, entrepreneurial organization,” commented Jeff Young, President and CEO, iLOOKABOUT, “SCM has a rich history of innovative, successful insurance services.” Young added, “RMS and StreetScape together are ideally suited to the risk management space, both commercial and residential.”
