

**iLOOKABOUT Partners with JLR Recherche immobilière to Capture Quebec**

LONDON, Ontario, Canada – September 9, 2009. iLOOKABOUT Corp. (TSXV: ILA) (“iLOOKABOUT” or the “Company”) announced today an Agreement with JLR Recherche immobilière (“JLR”) to provide StreetScape street-level imagery for the Canadian Province of Quebec. Financial terms were not disclosed.

iLOOKABOUT will provide full coverage of most public streets in the Province of Quebec, with its StreetScape visual data intelligence product, to JLR for integration and resale with their real estate data products. JLR will utilize the new StreetScape imagery to update property characteristic data and enhance their current report offering. In addition, the two companies will collaborate on new offerings combining visual and relevant real estate related data to offer enhanced report capabilities, as well as entering into resale and cross licensing agreements.

“JLR is extremely pleased to be entering into a long term agreement with iLOOKABOUT,” stated Louis Félix Laroche, CEO of JLR. “The quality of the imagery, speed of capture and unique visual products are a perfect match with our real estate data offering. JLR is committed to continually enhancing our product offering.” He continued, “With iLOOKABOUT providing new and improved imaging capabilities, we can continue to expand our real estate data.”

“iLOOKABOUT is very happy to be partnered with a market leader like JLR,” said Jeff Young, President and CEO, iLOOKABOUT, “StreetScape is ideally suited to the real estate market and when combined with JLR’s extensive, high quality database it creates a formidable offering.”

Image collection and integration commenced early in August.
