### About ILA

ILA is a transformational data analytics organization that provides transparency to the valuation of real estate assets. ILA is a real estate valuation platform with technologies that leverage the power of data designed to address today’s dynamic real estate valuation market. Our proprietary innovative platform provides software and data licenses and technology managed services to the real estate industry, serving primarily the property lending and property tax sectors, both public and private, in the United States (“US”) and Canada. Accurate data and property valuations form the basis for our clients to value assets, fund loans, securitize portfolios and to analyze and update property tax assessments. As a fully integrated valuation technology company, we are setting new standards in real estate valuation quality and reliability. ILA is a brand built on innovation, execution, accuracy, industry expertise and forward-looking products and services.

ILA’s common shares are traded on the TSX Venture Exchange under the symbol ILA and in the US on the OTCQB under the symbol ILATF.

*Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.*
